MEET OLIMPIA

Olimpia is an university student

What she likes:

- travelling
- studying Law

What she hates:

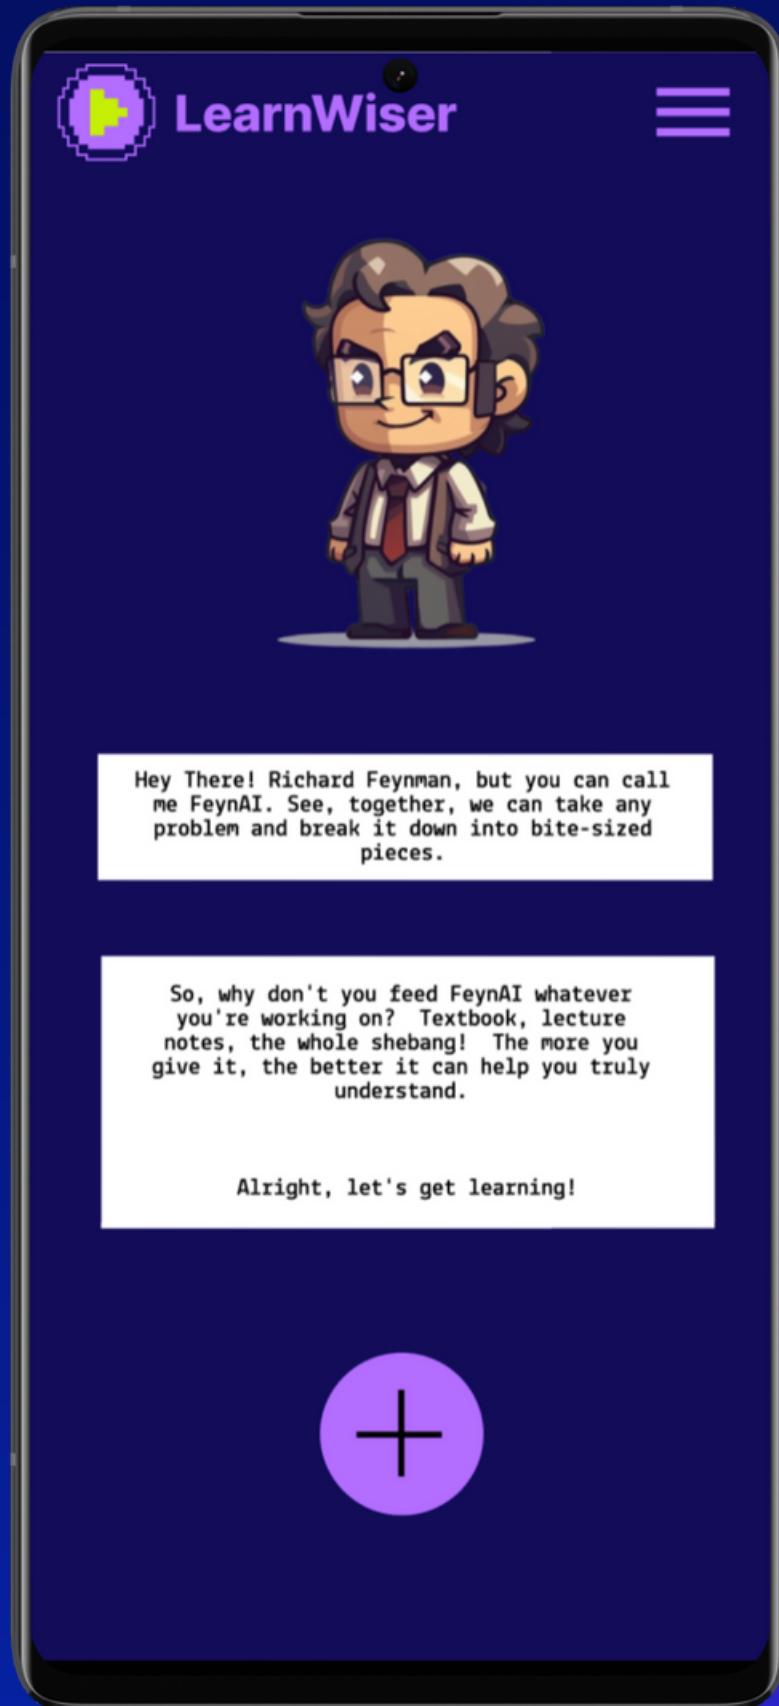

- organizing her studies
- studying alone

MEET FEYNMAN

Feynman is your friendly study buddy!

He's here to help you **organize** your studies, **create** a personalized plan, and **conquer** those exams.

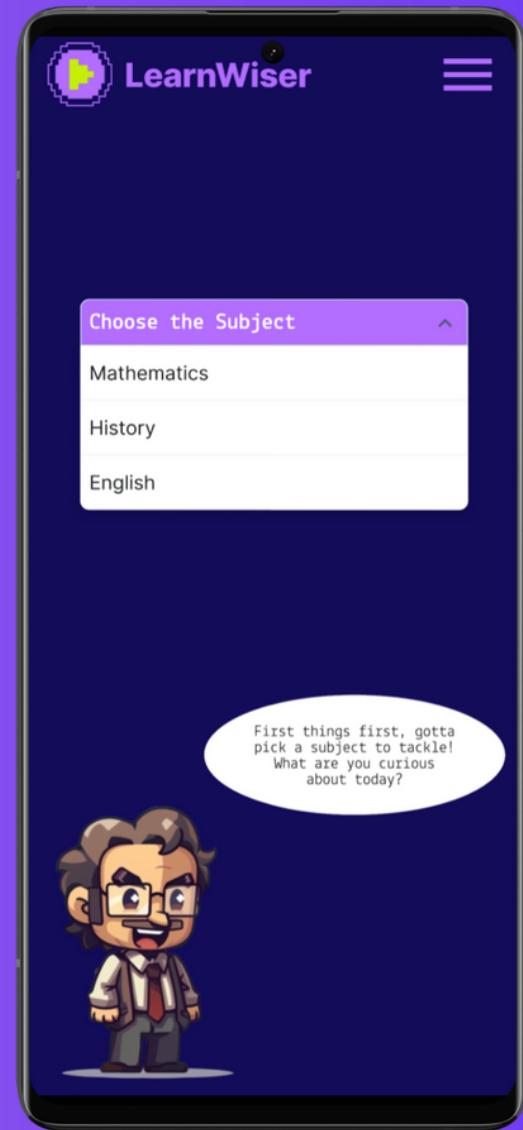

DATA INGESTION

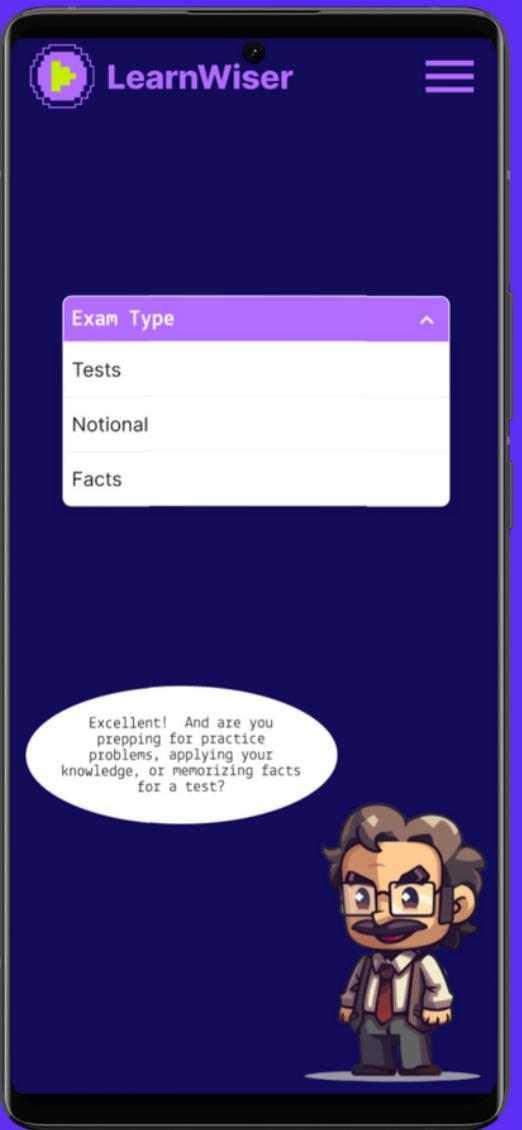

Upload **pdf**, **text**, **images**, and **video** to be understood and incorporated in feynmann database

Under the hood, a **vector database** is populated to improve the quality of the AI model through **RAG technologies**.

WITH USER FEEDBACK

SUBJECT

TYPE

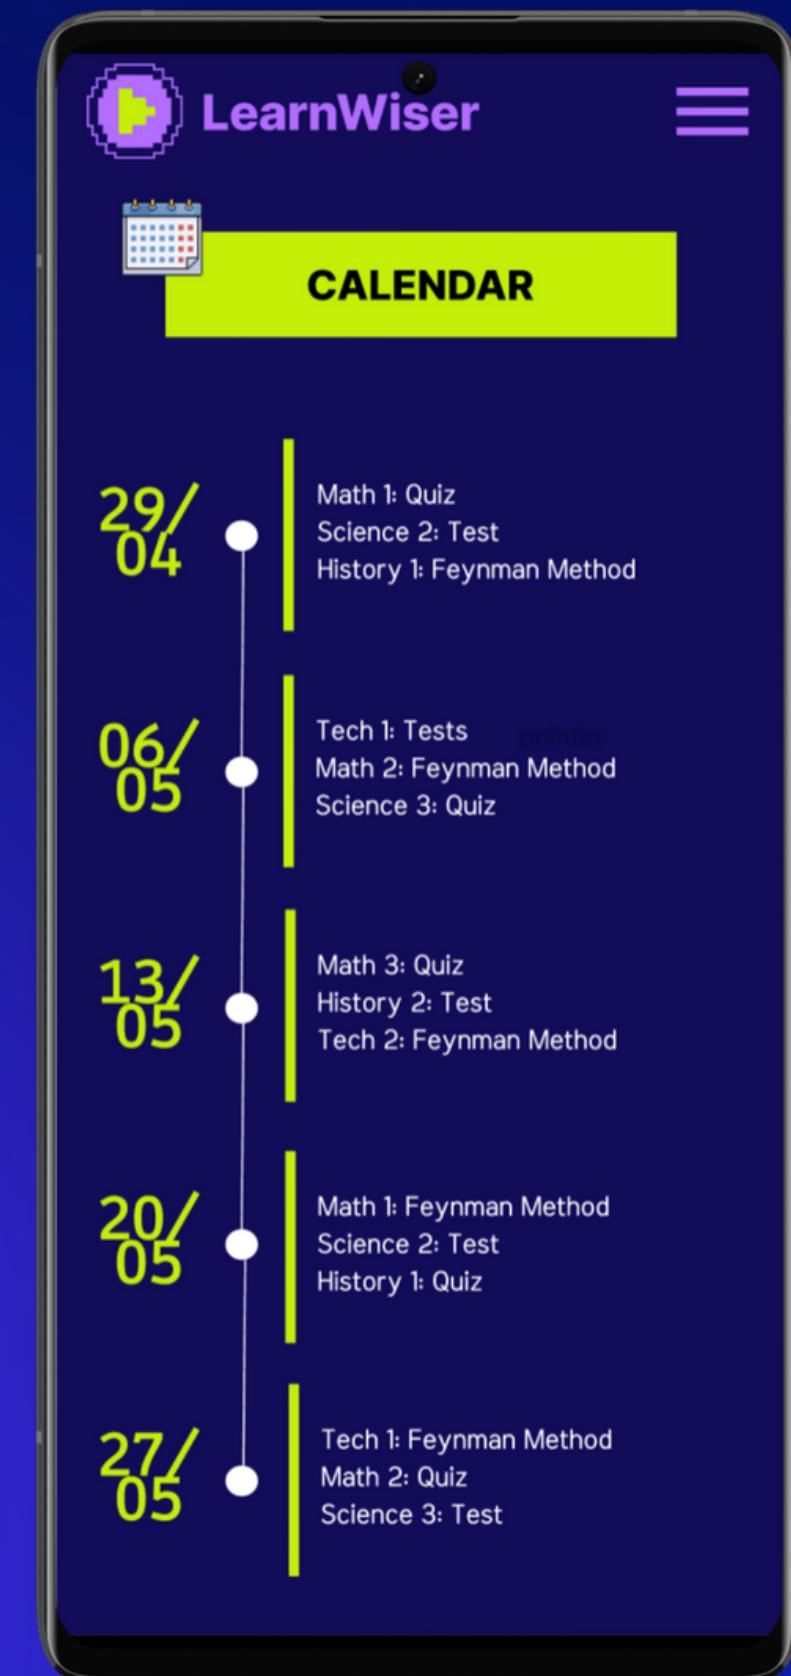

DATE

FEYNMAN BUILD YOUR SCHEDULE FOR YOU

Feynman applies scientifically backed method:

- **Interleaving** by mixing different subjects
- **Spaced repetition**, calculating the best moments for you to refresh what you studied
- **Dynamic scheduling**, reformulating precedent errors in the new sessions

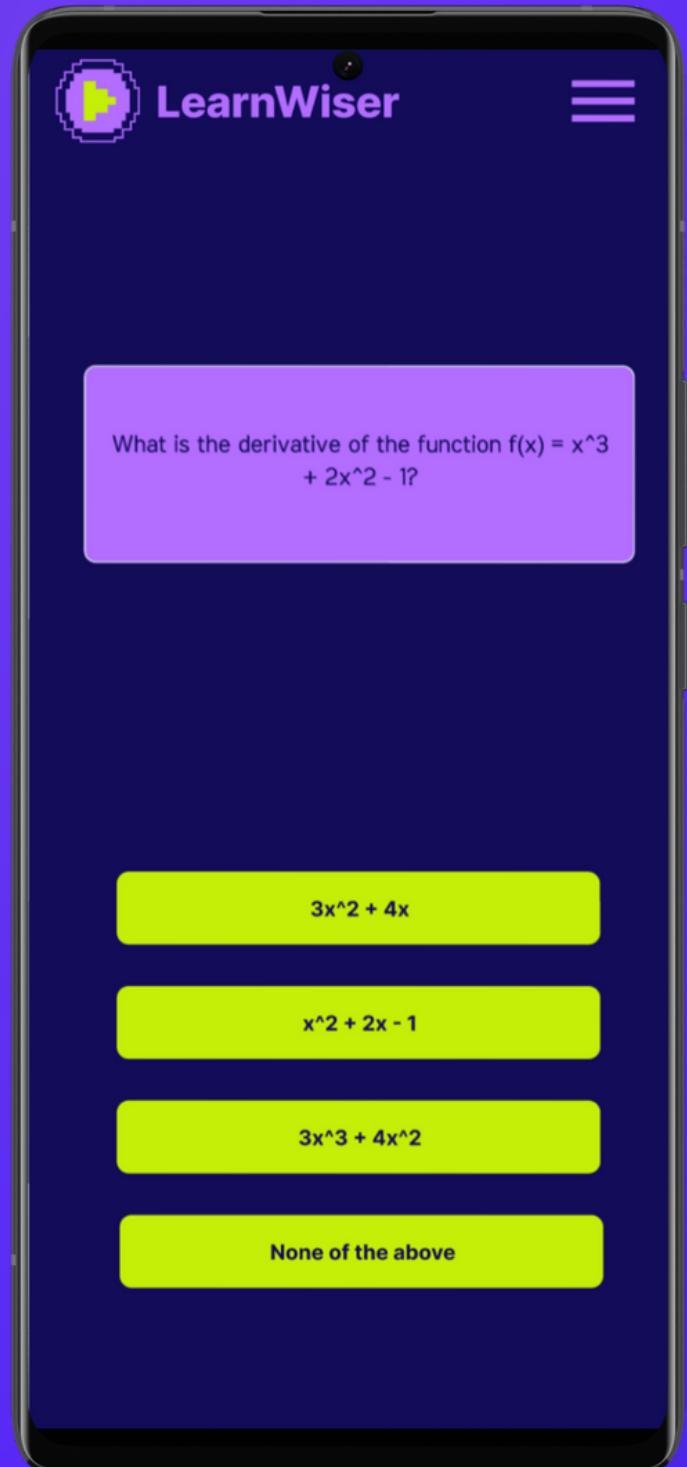

QUIZ MODE

Testing is one of the most effective and active study methods.

Feynman provides you the most suited tests for your subject:

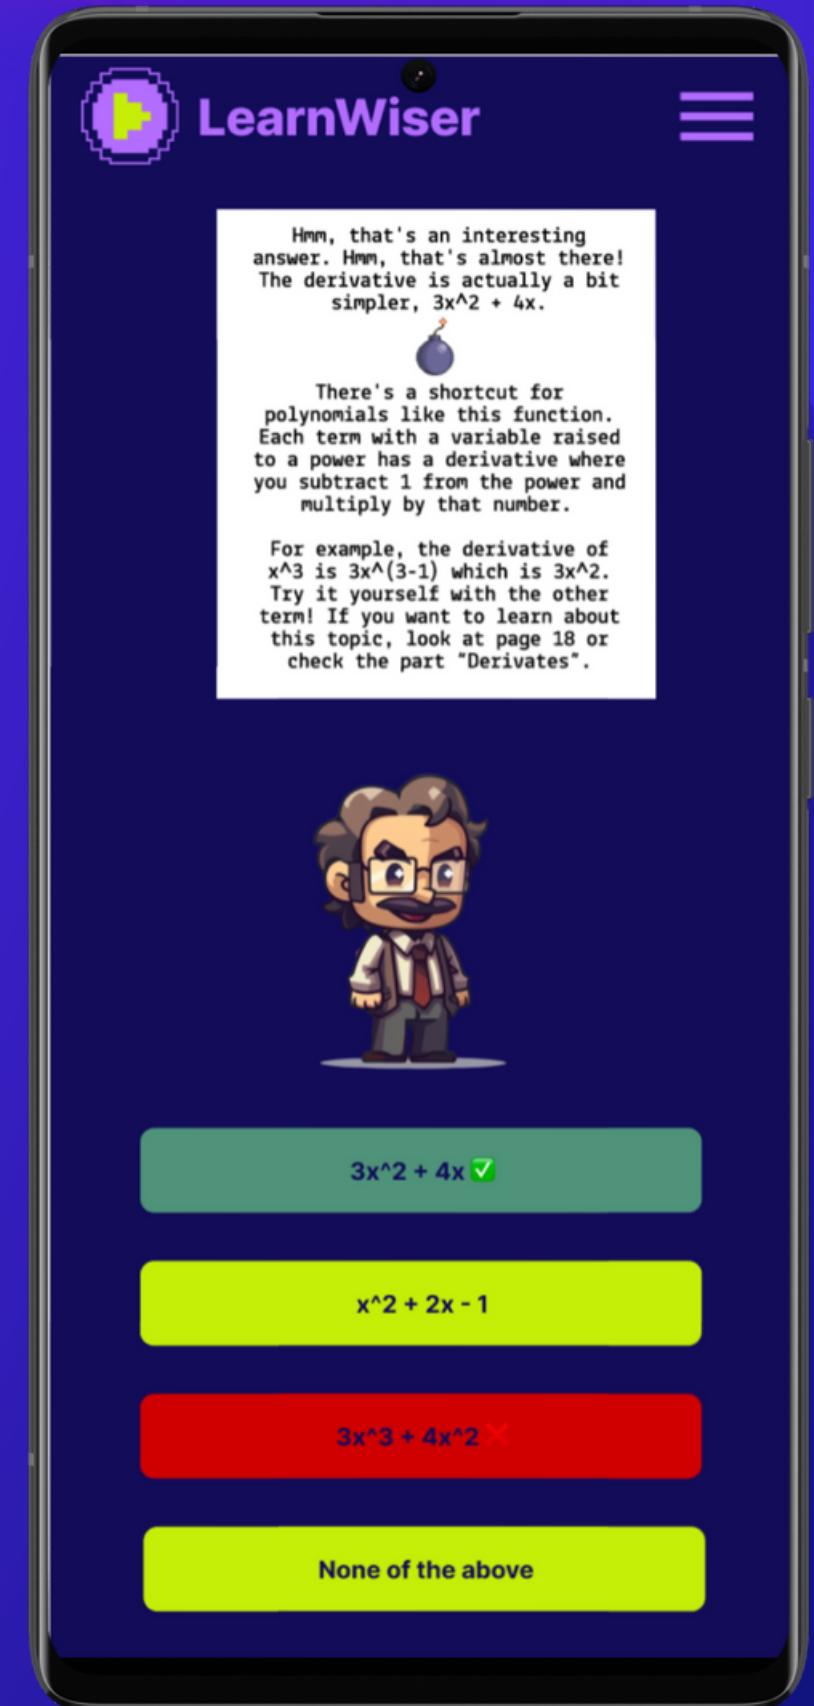

- Numerical exercises
- Multi choice questions
- Feynman technique (Duh!)

QUIZ MODE

As you answer your questions Feynman doesn't simply mark them wrong.

- **Clear Explanation:** He breaks down the correct answers, explaining the key concepts in a clear and concise way.
- **Targeted Improvement:** Feynman suggests relevant sections in your material to revisit for a deeper understanding.

GRANDPA FEYNMAN

The Feynman Technique is the powerful **learning by teaching** strategy. Our app brings this concept to life with the introduction of **Grandpa Feynman.**

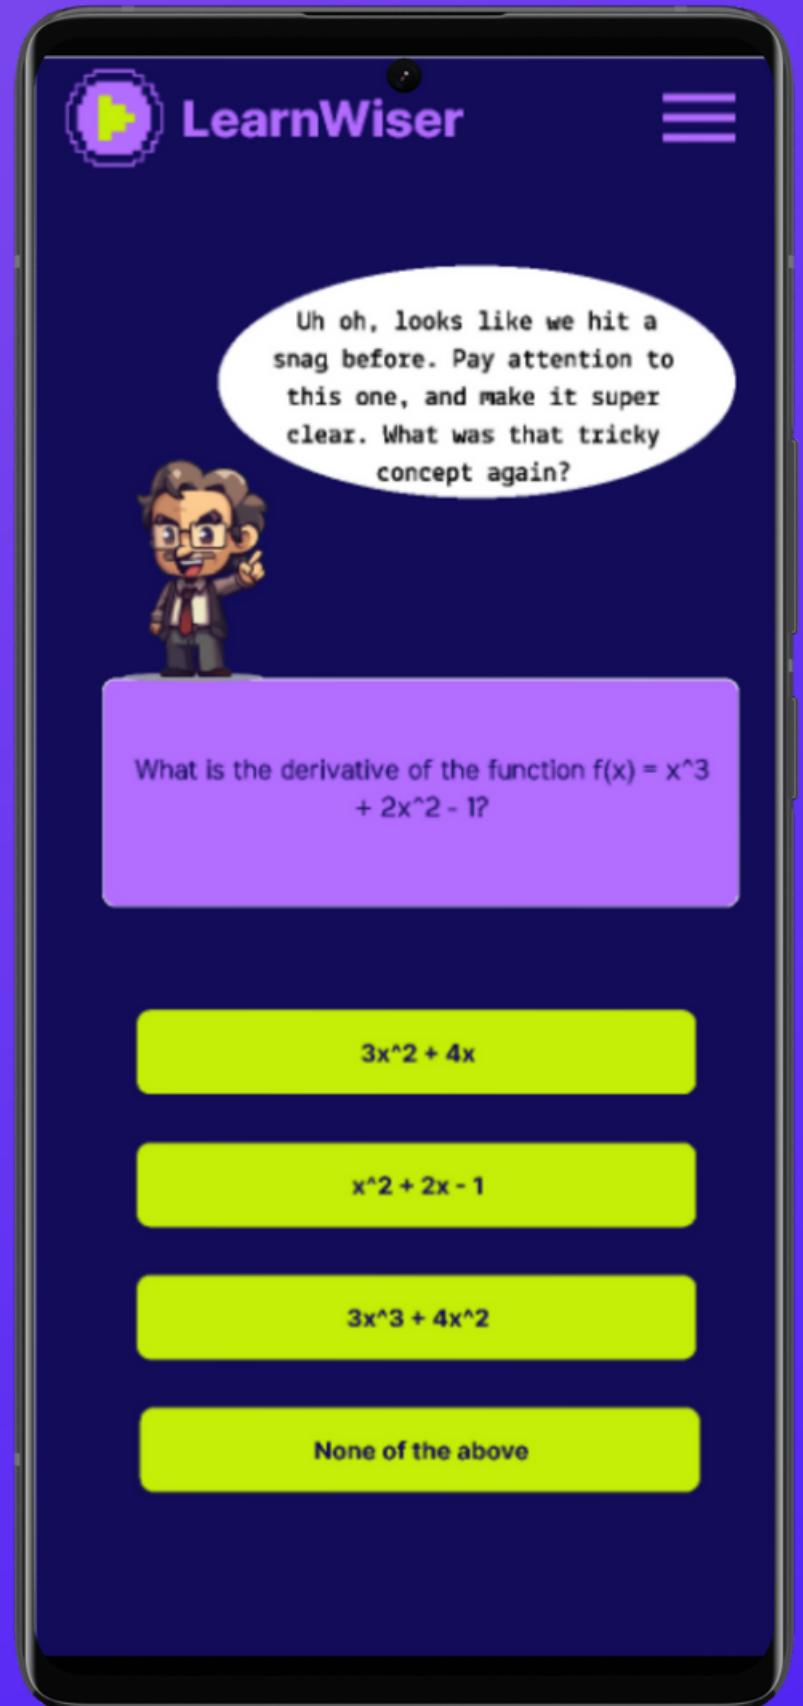

Speak and learn, as you test your understandings by explain to a beginner your subject.

THANK
YOU!

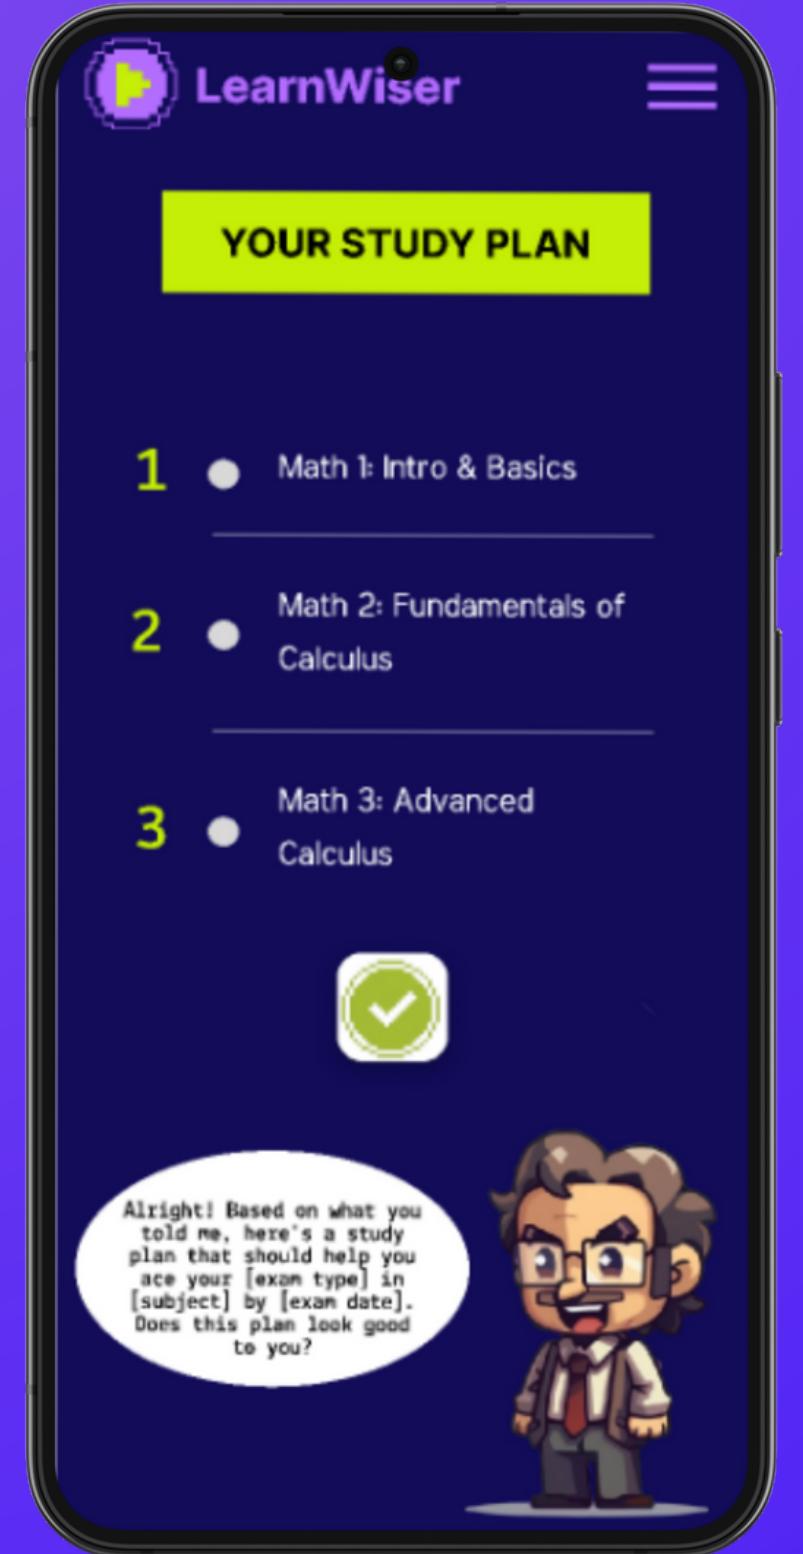

IT'S DEMO TIME !
